

Mother Nature is always a force of inspiration, and flowers are probably her prettiest feature. For SS16 our designers ran wild, judging by the spectrum of beautiful blooms below – blossoming on blouses, springing up on skirts, and more. Finally, a riveting sense of romance and innovation has really flowered.

DOUBLED, TRIPLED,  
QUADRUPLED AND MORE

Pile on the petals! The more species, sizes, shades  
and stripes the better.
