

NAME TO KNOW: SEA NY

A pitch perfect balance of staple and statement, uptown polish and downtown cool, you can thank Sea NY for bringing boho bang up to date. The label has long been on the radar of fashion insiders looking to tap into free-spirited style, albeit with a luxe twist. Elevating supremely wearable, flattering shapes with ornate prints, detailed embroidering and embellishment, co-designers Monica Paolini and Sean Monahan have that effortless day-to-night thing all sewn up.

“I always like things that are cute and vintage-y and Sean has a more modern approach- he pushes me and we push each other,”

Paolini told harpersbazaar.com

Pre Fall 16 showcases exactly why Sea NY's momentum is growing. The folksy, intricately dresses can switch dress codes easily while the breezy tops are dynamically detailed: clashing textures, fine fringing and tassels instantly revamp your favourite denim and tailoring. In short, it's everything you need for an ultra-stylish summer.
