Roksanda knows what modern women want to wear. How else can you explain the inventive little twists, confident colour-blocking and, most importantly, the flatteringly sculptural forms of her ageless womenswear?

33%

art world, industry recognition soon followed (Roksanda's trophy cabinet boasts two British Fashion Awards and two ELLE Style awards) and the designer can count the Duchess of Cambridge and Naomi Harris among her global fan base.

The effortless 70s-tinged shapes of Roksanda's PRE FALL 16 collection are designed to be worn wherever and whenever. Witty waves and patchworked jacquards of contrasting colours run throughout, detailing a standout pair of wide culottes and a series of structured dresses that nail boardroom to adding playful volume; while skin peeking through clever cut-outs and semi-slits supplies artful sensuality.
