

POWER INTO PRE FALL 2016

What to wear next

Victoria, Victoria Beckham's irreverence is as unmissable as ever, despite the abundance of black. A playful strawberry print brightens up the excellent tailoring while graphic ruffles and rosette bows inject delightful volume.

LELE SADOUGHI *Resin Flower Earrings*

Calling all early birds, a glimpse at the sartorial shape of things to come with a preview of Pre Fall 2016's modern classics from Peter Pilotto, Roksanda, Victoria, Victoria Beckham and Jonathan Simkhai. The mood? A return to femininity, albeit a more strident, off beat version, as ladylike pieces are rendered punchy rather than prim.

POWER INTO PRE FALL 2016

What to wear next

Peter Pilotto's pieces are always marvellously modern but retain a sense of old school elegance.

The innovation is in the details: vivid motifs, statement shoulders and recurring asymmetry.
