When we got wind that Essex girls and long-time friends Georgiana Huddart of Hunza G and Pandora Sykes, Sunday Times Style's Wardrobe Mistress and founder of pandorasykes.com, had teamed up on a capsule swimwear collection, we couldn't fail to get excited. In beach-hut hues with whimsical frills edging Hunza's signature stretch fabric – an 80s staple, brought back to life – it's no wonder most of fashion's favourite insta-girls have been spotted in their designs. Take your cue from Man Repeller's Leandra Medine, model Maddi Waterhouse and Pandora herself of course and shop the collection now.
