

# MOST WANTED SHOES

30px

Stride through Pre Fall 16 in style

70px

Like bags, shoes can and do have the 'It' factor. A dazzling detail or incredible fit that grabs attention, without compromising comfort of course, and elevates whatever they're worn with. We're pretty confident that our latest line-up ticks all these boxes and more, helping you find your footing for many stylish seasons ahead. From old favourites to bold newer brands, let us walk you through...

## Robert Clergerie

22px

Robert Clergerie excels at exquisitely crafted boy-meet-girls shoes. With a few thoughtful twists, like the foot-framing curves of the backless loafers and the rich use of velvet, every pair switches tastefully between dresscodes.
