

SUMMER NIGHTS

Dress to impress

Alfresco drinks, impromptu parties, maybe even a late night date: just go wherever the night takes you. It's much more fun that way- although dressing the part becomes trickier than it should look. If you let extra special embellishments and plunging necklines do all the hard, attention-grabbing work; then the shapes can be as easy and breezy as you like. Here's what we would suggest:

MACGRAW Crochet Steeple Top & Crochet Steeple Midi Skirt

JONATHAN SIMKHAI Diamond Mesh Sleeve Dress

MARCO DE VINCENZO Vertical Stripe Crossover Dress

LITKOVSKAYA Frayed Jungle Dress

PREEN BY THORNTON BREGAZZI Floral Flounce Hem Abel Dress

RACHEL COMEY Multi Tie-Dye Vance Dress
