Find out what's new in the world of jewellery

Charlotte Chesnais

An asymmetric flash of gleaming gold adds covetable new curves to your forearm, courtesy of **Charlotte Chesnais'** Beta cuff. It dresses up and down effortlessly.

CHARLOTTE CHESNAIS *Yellow Gold Beta Bracelet*

All that glitters isn't just gold or silver where jewellery is now concerned. There's a new wave pioneering creatives, led by ANDAM prize winner **Charlotte Chesnais**, who are completely redefining the medium using bold new shapes and progressive materials.

Gabriele Frantzen

The stripy straps of Gabriele Frantzen’s ‘watch candy’ have crystal faces and gold snakes affixed to them instead to create charming everyday bracelets.

Charlotte Chesnais

Charlotte Chesnais threads two-tone metal petals though the ear for a fresh, sculptural sense of elegance that instantly recognisable. Don't let your hair hide them.

Charlotte Chesnais

Charlotte Chesnais takes her signature ‘Saturn’ earrings up another wonderful notch by intersecting another orbiting hoop to make the ‘Galilea’. The new length is even more eye-catching.
